"We can see the benefit of the tools and education on offer and if we can save spending our budget on these items it then allows us to spend money elsewhere on the golf course. I also think it's a fantastic way for clubs to access certain tools and training when they don't have the budget to do so."

Chris Haspell, Course Manager  
Castle Stuart Golf Club

**"I think Turf Rewards is a fantastic scheme for people who have a low budget because it allows them to get things they wouldn't usually be able to afford. I claimed an iPad through Turf Rewards which I use with my irrigation system. I can control it all through the iPad and it has made life a lot easier."**

# Turf REWARDS

---

"All of the clothing we have claimed through Turf Rewards is lightweight, breathable and looks great. Having everyone in matching safety gear gives us a much more professional image as a department. It's a no-brainer when you are getting something as a reward that you were going to buy anyway."

Nathan Scarff, Head Groundsman  
Derby County FC
